

## 8th Czech – Polish – Slovak seminar

### *„Regions of V4 countries facing challenges of integrated Europe“*

#### 2nd circular

The organisation committee decided (after careful evaluation of applications and conference participants' interests) on one day shortening of the conference programme. As a result, the official scientific programme will finish on Wednesday evening. The departure of the participants is planned for Thursday morning (June 9, 2011), after breakfast. We can arrange accommodation to those participants interested to stay in Bratislava until Friday (please indicate your interest for accommodation in on-line form)

**On-line form:** <http://www.humannageografia.sk/mojmirovce/cirkular.php>

**Preliminary programme** of the conference, including distribution of contributions into sessions and days is available at the conference web-page. On this web-page is also available list of participants and on-line detailed registration form. We kindly ask all participants to insert their requirements concerning accommodation and joint meals into this on-line form. We will be very pleased if you could fill this form until May 15, 2011.

**Accommodation** is available in double rooms. The price of one bed is 20€ excluding breakfast (or 40 € per one room). There is possibility to add one extra bed (in price of 10 €). These prices include unlimited access to hotel swimming pool.

**Joint meals** (selection between two choices of meal) will be provided in Mojmírovce Manor House restaurant in following prices:

- breakfast (buffet) – 5 €
- lunch – main meal 7 €, soup – 1,33 €
- dinner – 7 €

The conference participants can take meals also individually (they will be waiting bit more). They can use the same restaurant, but they will pay directly after each meal.

**Presentation of conference contributions** follows already mentioned rules:

- Power-point presentations in English language
- all plenary session will be held in English language
- presentations in parallel sessions are recommended in English language, but mother languages will also be accepted

- we ask those authors that did not submit brief English abstract yet (6-8 lines), to do so until May 15, 2011.

**Publication of presented contributions:**

We suppose to publish thematically focusing monograph comprising about 12-15 chapters (in English). Chapters will reflect primarily the main topic of the conference. Depending on interest of authors, there will be possibility to publish conference contributions as scientific papers in *Geografický časopis* (published by the Slovak Academy of Sciences) or in *Acta Geographica Universitatis Comeniana* (published by Comenius University).

**Conference fee**, as well as required **joint meals** costs will be paid by participants at the registration.
